

Hi Church,

Great to hear that you guys are keeping in touch with each other.

Please let us know if we can help you under level 4 in any way.

If you are unsure about what is happening with your Connect Group, please check with your Connect Group leader.

In regard to this Sunday, we will send an update out on Friday afternoon, when we know more. If we are at level 1 or 2, we will have a live service. If we are at level 3 or 4 we will have an online service this Sunday.

Online Videos

Some people had issues with the streaming on Facebook this week with audio and video being out of time and the audio slowing down or speeding up. These are issues that can happen with Facebook's streaming service. If this happens try using our YouTube channel instead - it is a much more stable site for streaming videos. Links will be sent in Friday's email update.

Be Part of this week's Online Service

We'd like to give you the opportunity to be involved in our online service (if we need it on Sunday). Create a 5-10 second video on how lockdown is going for you (and your family), you could display a project of what you have been doing. We will take ten of these and put them together. It's a simple way for our church to feel connected. Simply film a 5-10 second clip on your phone and send it to Jonty either via WhatsApp (his number is 021 444 595) or online via wetransfer.com (send it to jonty@c3chch.org).

Email

Our email and website are working again! You can contact us at our @c3chch.org email address, though our @stmartinsc3.org email address will go to the same place.

Pray you are continuing to make the most of the time you have in your Bubble at the moment.

Blessings

Warren G
